

Covid-19 Policy

Our mission is to give you a memorable holiday at sea in Croatia, and our guests can count on us at all times. By providing good and valid information we will do everything in our power to make sure you are fully satisfied with your booking and we will ensure you get what you paid for!

- A nice boat excursion is certainly the best possible way of social distancing and a perfect opportunity to spend a holiday in complete safety among the natural beauties of the bays of the Adriatic Sea.
 - All vessels are thoroughly cleaned and disinfected after each rental.
 - Any booking made with us is 100% safe and secure.
 - Full refund is guaranteed for all bookings confirmed by 01/06/2021 and cancelled in the event of outstanding circumstances resulting in inability to depart due to border closures or health problems caused by the Covid-19 virus.
1. If the boat rental has been fully paid, we provide the possibility of postponing the booking and an alternative date in the 2021 season to offer our guests unforgettable days on a yacht cruising the Adriatic Sea.
 2. We want to be even more flexible and offer our customers the possibility of using the rental services within a 12-month period, depending on the development of the situation and according to current travel regulations.
